

Proposed Revision for Article XXVI: DEFINITIONS

Purpose: To replace general wording with more specific definitions.

Proposed definitions:

COMMERCIAL: Persons or entities engaging in the trading of goods and services. Any building or land for the transactions of business; engaging in business, enterprise, or other undertaking for profit or non-profit; an area for the transaction of business.

INDUSTRIAL: Any building or land in which the industrial operations of manufacturing, processing, fabricating, assembling, finishing, treating, or compounding or similar processes take place.
