Howard Clark had inquired with Wes, and Leslie Downing had stated that the road was going to be widened. Neither Wes nor the Select Board has any knowledge of the road widening. The Selectmen will check to see if the fence is completed, if so the Highway Department will pick it up, and start putting it back up.

Wes solved the dilemma of grading East Side Road when builders are working; grade it on Sunday. Issues of illegal parking still need to be addressed.

The Highway Department is now working 4 ten hour days

Recycling Center – Letter addressed to Steve Salza returned to the Town as “uncollected”. The letter was unclaimed.

Town Clerk – The lap top for Donna has been picked out by Alexis, reviewed by Bob and Donna who are both happy with the decision. The Select Board approved the Town Clerk’s office to move ahead with the purchasing of the new lap top.

Other business:

John and Anne Cucchi met with the Select Board to discuss their property located on 164 Skatutakee Road, and the back lot concept. Mr. and Mrs. Cucchi discussed the ZBA Hearings. They presented a two page complaint regarding the Town’s handling of proceedings on the development of their property. Mr. and Mrs. Cucchi believe Noel Greiner should not be allowed to file an appeal of the ZBA approval in April based on the Cucchi’s allegation of Mr. Greiners subdivision irregularities back in 2004. Select Board Chair, Jay Jacobs stated that he did not see that a supposed wrong in the past is grounds to question the standing of Mr. Greiners appeal. Mr. and Mrs. Cucchi discussed reasons and possibilities of law suits against several members of the Town Boards based on persecution against them (Cucchi’s) and their various proposed land use proposals. Discussion shifted again to Noel Greiners proposed subdivision showing gross irregularities. The letter submitted asks the Board of Selectmen to remove Noel Greiners from the Planning Board.
