Cathy Lovas - TOWN CLERK

In an attempt to flatten the curve of this Covid-19 virus, effective immediately, the Town Clerk's Office will be closed to the public.

What this means is that all registration renewals, requests for certified copies of birth, marriage and death certificates and all renewals of dog licenses should be done through the mail.

VEHICLE REGISTRATIONS: Your renewal notices for your vehicles should arrive in the mail with instructions. Please note. The totals at the bottom of the letter are what are owed. The letter is not well written and there is some confusion regarding the \$2.50. If you deduct \$2.50, you will register your vehicle with the town but you will need to travel to a State DMV office (closest being Keene or Milford) to get your decal. If you pay the full amount, your decal will be mailed to you with your registration.

If you wish to renew your registration early, please call 603 827-5545 ext. 2 or email TownClerk@HarrisvilleNH.org for the amount due, you may register up to 4 months in advance of your due date.

VITAL CERTIFICATES: Certified copies of birth marriage and death certificates must be accompanied by a Vital Request Form (found at HarrisvilleNH.org under Town Clerk's Office) and a copy of proof of identity and payment.

DOG LICENSES: Dog Licensing is due by April 30th for the 2020/2021 licensing year. Reminders have been sent out. Please send in your payment, with proof of rabies if needed along with a self-addressed, stamped envelope to the Town Clerk's office.

Any other business, that requires a visit to the Town Clerk's Office such as titling a new vehicle or obtaining a marriage license, can be done by appointment, please call or email to set that up.

It is important to stay healthy at this time.
I appreciate your understanding and cooperation.

All the best,

Cathy
